# Victan®

Our **Victan® C & XSE** casings have your ground meat products covered.

Each is uniquely designed to complement your process and protect your product.

## Products

**Victan® C & XSE:** The casing choice for any raw products (e.g. ground beef, ground pork, chorizo, etc.) that can be either fresh or frozen with the casing remaining on. This formulation has been designed specifically to provide long term protection for frozen meat products.

## General Benefits

- Outstanding diameter control
- No soaking required
- Wide variety of USDA-approved colors
- In-house graphic design and high-technology, full-color printing capabilities

## Forms

- Shirred (with lubrication, if required)
- Reel stock
- Cut lengths
- Clipped
- Clipped and looped
